Studio Cabin on 39± wooded acres adjacent to Public Land

New 22'x22' studio cabin sits on 39.25 wooded acres, just 10 miles from Plains, at the base of the Cabinet Mountains. Located 1.5 miles off the public road, this property has controlled access, providing the privacy you desire. Adjacent to thousands of acres of public timberland. Cabin has a pressurized water system, full kitchen with new propane appliances including on-demand hot water that serves the kitchen and shower. Cabin is completely pre-wired and is ready for your choice of solar energy or electricity (430' from the cabin). Wildlife and big views from the front porch, with huckleberries just steps away. ~~-\$289,000~~ only \$250,000. MLS# 904554 More info at: 80cedarsprings.com
